Here and Hear

-Everyone’s afraid, but I deal with it.

-Oh? How?

-By singing.

-Uh huh? Any type of…?

-All give form. Make you here.

-H--e-r-e or H-e-a-r?

-Both.

-Do the words of the song help?

-They can.

-Inspire?

-Possibly, but…more the resonance
of the whole business.

-You as transmitter then?
-That’s the best.
